-“I love lunch more than my dad.”

New DAS Clubs

After care clubs have been going great but we are going to switch things up a bit. Robotics will be switching days so children who don't come on Monday will get a chance to participate. Art with Wes has been a blast so we are going to keep that right where it is.

We are adding a soccer club with Danielle, Mad Libs with Ryan, and some special gym games and activities geared towards kinder and pre-k aged children. Descriptions and sign-ups will be available soon!
