Happy New Years Everyone!

It is great to be back in our usual routine after break. The weather has been cold and crispy but we have been hanging on to these sun shiny days as much as possible! We have added some new clubs in after care including Specialty Sports, Magical Magicians, and Poetry Writing. It's always fun to explore these extracurricular activities and see creativity flourish!

After school enrichment classes have either started their winter term or are starting up next week. Please remind your child to sign into DAS before heading to class. That way they can grab a quick snack and we don't have to go track them down. If it is the first class of the term, one of your staff will walk with your child attending to make sure they know the routine!

Overheard at the water jug:

“My mom likes you, if you ever want to come over for Jello, you can.”

“My brother and I are opposites, he likes peanut butter and I like butter.”

Just a quick reminder that we love to have family come and read to our Pre-K class during rest time. Feel free to read our books to the kids or bring your own. We have our rest time and story time from 1:30 to 2 but if that doesn't work with your schedule let us know, we are very flexible.
