

# DAS Newsletter, Summer 2017

## SUMMER CAMP

Summer camp has been a blast this year! We have lived in tents, filmed movies, painted on canvas, and had visits from Reptile Man and a story teller. Our camp has gone to OMSI, multiple parks, and the nickel arcade. Before the summer is over we are going to have a giant water slide for a whole day at the school! It's been a hot one so there's no better way to beat the heat.

## July Meeting

There was a meeting held on July 25th regarding our DAS registration process. The DAS Board heard some great feedback and we will be discussing this further and updating you all on any changes in our process. Thank you to all who attended!

## Important Dates:

- 8/11: Last Day of Summer Camp
- 8/28: Pre-K Open House from 4-6 PM
- 8/30: First Day of School!
